

How to Launch a Course

Once you access the Online University, to launch a course, first click on the **curriculum name**.

Then, click on the  icon on the left to launch the course.

The screenshot shows the 'My Courses' interface. At the top right, there are links for 'Edit Profile | Logoff (Student)'. Below this is a 'My Courses' header with 'Show Options: Expired Courses | Completed Courses | Report Card | Help'. The main content is a table with columns: Catalog ID, Name, % Complete, Status, Score, Expiration, and Prerequisites. A red arrow points to the 'Name' column header. Below the main table is a sub-table with columns: Course ID, Name, % Complete, Status, Score, and Prerequisites. A blue arrow points to the 'Launch Course' icon (a blue square with a white arrow) next to the 'i2Prop101' course. A red arrow also points to the 'Launch Course' icon next to the 'i3CGL101' course. At the bottom, there is a 'User Guide' section with icons and text: 'Launch Course: Click to Open the Course or Unit' and 'Curriculum: Open to View Courses'.
